

MISSION STATEMENT

OUR MOTTO

Non progredi est regredi – *Not to go forwards is to go backwards*

OUR PURPOSE

We are here to provide a first class education for all our children and to enable them to achieve their very best.

OUR VISION

- We accept and value the child.
- We see what the child is capable of being.
- We have the capacity to help the child to achieve this.

OUR ETHOS

We aim to provide a happy, caring and purposeful environment built upon mutual respect and positive relationships which creates opportunities and encourages endeavour, and the pursuit of personal achievement in all aspects of life.

OUR AIMS

We aim to help pupils to:

develop lively and enquiring minds together with the knowledge, skills, attitudes and values which will enable them to play a full part as confident members of the wider community.

promote their mental, spiritual, physical, social and emotional well-being and develop to the full individual aptitudes and talents.

become responsible and tolerant members of society and be able to appreciate and contribute to human aspiration and achievement.

show respect and take pride in themselves, their peers, their school and their surroundings.

access a broad and balanced education that prepares them adequately for life beyond the school.
